To Whom It May Concern:

Crystal Clear Maintenance was established in 2000. Crystal Clear is Veteran Owned, Service Disabled Veteran, Hubzone Certified, 8(a) Certified, and Small Disadvantage Business. The company provides Janitorial/Custodial, Window Cleaning, Construction Clean-up, Carpet Cleaning, Landscaping, and Floor Maintenance services in both Commercial and Government facilities, working on large projects throughout New Mexico.

Mr. Craft and his company, Crystal Clear Maintenance, Inc. has and continues to make a number of contributions towards supporting community-oriented projects. Mr. Craft came to Santo Domingo Pueblo and donated two flags to the Santo Domingo Pueblo Veterans. One was the American Flag and the other was the State of New Mexico flag. I would like to say from the Santo Domingo Pueblo "Thank You" and continue to do good things in the State of New Mexico.

I have seen Mr. Craft plan and prepare for the growth of his company and successfully manage the growth which he has created. I believe that this is just the beginning of success for Mr. Craft and his company, as he is a very astute and able business person with a tremendous vision for the future of his company.

Respectfully,

Gov Nelson L Pacheco
